Yes-B.A and B.Com courses have undergone a notable syllabus revision in recent years, as the parent Karnataka University has adopted semester system since the academic year 2005-06. For once in every three year period the university updates and revises the syllabi. The new curriculum has, apart from modernisation of syllabi, mandatory papers in Communication Skills, Personality Development, Computer Application and Human Rights and Indian Constitution subjects along with environmental subjects, catering to the all-round development of the personality of the taught.

However, the institution also, with an intention of empowering the rural students of the area, has been conducting some special classes in English and other subjects.

Our college has signed an MOU with Vidya Poshak (A society for development and empowerment of students) on 12/12/2007 and further offers admissions to students.

Apart from this our college arranges Teacher Exchange, Student Exchange, and Guest Lecture Programmes in collaboration with the neighbouring colleges.

The students face the examination for 80 marks and 20 marks are for the internal assessment which the teachers award to the students on the basis of their performances in the class, attendance sincerity etc. The IQAC also ensures the effective implementation of reforms by strictly implementing the instructions of the university.

The IQAC makes suitable arrangements for the evaluation of teachers on teaching and research by the principal. The principal conducts the evaluation and reports are forwarded to the management.

The college has also developed a system of evaluation of teachers by the students which is carried out in a highly transparent manner using the format supplied by the NAAC. Afterwards the

feed back is made available to the faculty for undertaking the remedial measures, whenever necessary. These evaluations are conducted in B.A and B.Com courses. The feed back is used in the improvement of teaching, as the Principal makes the same available to the faculty with necessary observations and suggestions wherever felt, for further improvement.

The IQAC also supervises the annual self appraisal of teachers annually carried out. They are reviewed by the Principal and senior officers of the Department of Higher Education, Government of Karnataka.
