In order to maintain the momentum of quality consciousness an effective internal mechanism is essential. Hence as per the guidelines of the University Grants Commission and UAC an Internal Quality Assurance Cell (IQAC) has been set up in the College on the 8<sup>th</sup> December 2004. Ever since its establishment IQAC has been functioning quite rigorously till the date. As many senior teachers who were the members of the IQAC retired from their service the Principal restructured the IQAC from the academic year 2020-21 onwards.
